

22nd Annual Daffodil Festival - Event!

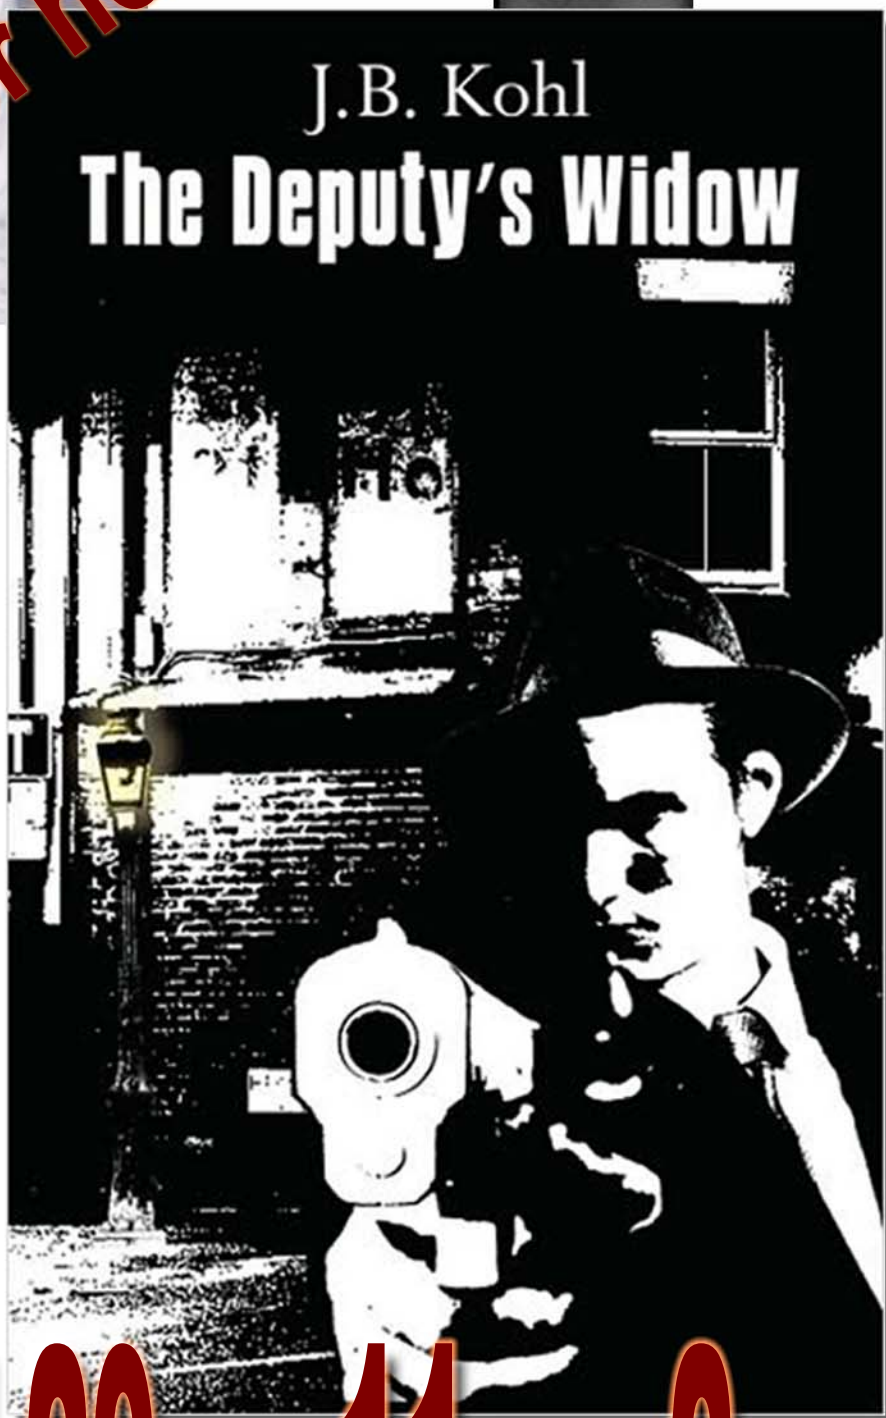

local author  
**J.B. KOHL**

will join us  
to sign her new book

1948 is drawing to a close and things couldn't be much worse for Private Detective Hamilton Baker. It starts with a simple phone call from Diana Kramer, a smooth tongued woman who begs the detective to find letters she's written to her lover, Sheriff's Deputy Chester "Chet" Ferrebee. Chet is to wed another woman this afternoon and Diana, the scorned mistress, wants the letters back where they belong, with her.
